

## Age Restriction Waiver

Severn Sailing Association has an age range on all of the summer courses that we offer. Signing this waiver means that you are taking responsibility for placing your under age sailor in the class you have registered for. SSA reserves the right to call and have the sailor picked up if they are unable to participate in the full day of classes. SSA also reserves the right to to move your sailor to another program better suited for your sailors skill level.

I \_\_\_\_\_, understand that I am responsible for placing \_\_\_\_\_ in  
(Parent/Guardian) (Child Name)  
\_\_\_\_\_. I will make sure that myself or someone on the pick up list is available  
(Class)  
throughout the day to pick up my child if deemed necessary by the SSA Program Director.
