

Introduction to Race Committee at SSA

Home of One-Design Racing in Annapolis

Unit 1

Race Committee Training – Why Now?

- RC only once or twice a year
- No formal training prior to this
- Improvements in equipment storage/maintenance, boats, flags, etc.
- Codify RC procedures
- Refresh memory – 2020 season with minimal RC duty
- Maintain high quality RC work
- Improve uniformity
- Develop new Principal Race Officers and Deputy Race Officers – training videos and presentation materials on SSA website - <https://www.severnsailing.org/race-committee>

Outline

- Race Committee – why and how
 - How to have fun and learn
- How to sign up for RC
- RC staffing
- Time commitment
- What to bring – food, drink and gear
- What to expect – stem to stern
 - Beginning of the day – helping load equipment
 - During the day – on the water
 - End of the day – unload equipment, finish up, refreshments

SSA Service – Why and How

- SSA members are required to serve minimum service days each year:
Voting, Associate and Special members - 3 days
Supporting/Student over 21 - 2 days
Jr Associate/Winter - 1 day
Jr Club - no days
- Service days include participation in **race committee, club facilities work parties and special projects** approved by the club manager
- RC for **Frostbite** does not count toward service days; **TESOD** and **Thursday Night Racing** = ½ day credit

SSA RC Service – Why and How

- SSA is known for excellent one-design racing requiring excellent race committee work. You will be an integral part of the team!
- **Have fun and learn!** Start with low key TESOD, Thursday nights or weekend club regattas.

Draft 10/31/20 SEVERN SAILING ASSOCIATION

ANNUAL ASSUMPTION OF RISK, WAIVER, RELEASE OF LIABILITY AND INDEMNITY AGREEMENT FOR PARTICIPATION IN SSA REGATTAS AND SAILING EVENTS

For and in consideration of **Severn Sailing Association** ("SSA" or "Club") allowing me, the undersigned, to participate in any capacity in an SSA sponsored **Regatta** or other SSA sponsored sailing events (collectively "**Event**" or "**Events**"); I, for myself, and on behalf of my spouse, children, heirs and next of kin, and any legal and personal representatives, executors, administrators, successors, and assigns, hereby agree to the terms and conditions set forth below (the "**Agreement**").

1. RULES AND REGULATIONS: I agree to read and understand the SSA Rules and Regulations and safety measures.

2. ACKNOWLEDGMENT OF RISKS: I understand that participation in the Event(s) involves inherent risks, including but not limited to: broken bones, head or neck injury, spinal cord injury, disability, paralysis and other participants, even if they are wearing life jackets, weather conditions; fire, lightning, and other hazards; skill levels; situations and conditions that may be dangerous ("Risks"). In that such exposure may increase the risk of injury or illness, and reduce the spread of COVID-19, I understand that I am exposed to or become infected with COVID-19, and I agree to take all appropriate preventive measures.

3. ASSUMPTION OF RISK: I understand that the SSA is not negligent of my own negligence, and I agree to release the SSA and its licensees, competitors, the officers, directors, and other persons referenced herein (the "Released Parties") from all claims, damages, costs and reasonable attorneys' fees.

4. RELEASE AND INDEMNITY: I understand that the SSA is not negligent of my own negligence, and I agree to release the SSA and its licensees, competitors, the officers, directors, and other persons referenced herein (the "Released Parties") from all claims, damages, costs and reasonable attorneys' fees.

5. STATEMENT OF FITNESS: By signing this document, I further represent and warrant to the best of my knowledge and belief at the date of each Event(s):

- 1) neither I nor anyone living in the same household with me is infected with COVID-19 and do not have any symptoms thereof, including, but not limited to: cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or new loss of taste or smell; 2) I and all those living in the same household with me have been following the CDC COVID-19 guidance then in effect including without limitation, to sheltering in place, wearing masks or face coverings in public, practicing social distancing, washing hands frequently, staying out of crowded indoor spaces and avoiding mass gatherings, and 3) I and all persons living in the same household with me have not been exposed in the two weeks before an Event(s) to a person known or believed by me or those living with me to be infected with COVID-19. If you cannot make these representations without reservation or if there is any doubt in your mind whether you can do so at the date of the Event(s), you may not participate in the Event or Event(s), and we ask that you not come to SSA or remain on SSA property.

6. COMPLETE AGREEMENT AND SEVERABILITY CLAUSE: This Agreement represents the complete understanding between the parties regarding the subject matter of this Agreement and no oral or written representations, statements or inducements have been made apart from this Agreement. If any provision of this Agreement is held to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Agreement and shall not affect the validity and enforceability of any remaining provisions therein.

7. TERMINATION AND CHOICE OF LAW: This Agreement shall continue in effect indefinitely, but participants may be required to sign new waivers and releases each year to be eligible to participate in Events during that year. This Agreement may only be amended, superseded or terminated by an agreement in writing signed by both parties to the Agreement. This Agreement shall be governed and construed in accordance with the laws of the State of Maryland, including the Uniform Electronic Transaction Act, (Maryland Code 21-106), without regard to the choice of law rules thereof.

8. ELECTRONIC SIGNATURE: The participant understands that by checking the designated box on the SSA on-line registration page for the Event(s), or other box so indicated, he or she agrees to conduct an electronic transaction with SSA and electronically sign a binding contract with the same legal effect as if he or she had physically signed his or her name to a paper copy of the Agreement. The participant acknowledges that he or she can download a copy of the Agreement. The participant shall be deemed to have ratified this Agreement each time that he or she participates in an Event.

I HAVE CAREFULLY READ THIS DOCUMENT IN ITS ENTIRETY, UNDERSTAND ALL OF ITS TERMS AND CONDITIONS, AND KNOW IT CONTAINS AN ASSUMPTION OF RISK, RELEASE, WAIVER FROM LIABILITY, INDEMNITY PROVISION, AND AGREEMENT TO CONDUCT AN ELECTRONIC TRANSACTION.

By signing electronically I (as the participant or as the Parent/Legal Guardian on behalf of the minor identified by me in this electronic submission) hereby accept and agree to the terms and conditions of this Agreement in connection with my (or the minor's) participation in the Event or Events.

I accept these terms.

Marks / Anchor Crates

Marks and anchor crates stored inside **storage space** along south wall of club building and **along fence** near the vehicle exit gate.

Use the trolley carts to bring mark crates to the boat dock.

Question

What is the correct way to **drag** marks and other large equipment across the parking lot?

Answer

“NEVER drag anything” is the correct way!

What to Expect – During the Day

- Depends on what boat you're on
 - Let the DRO know any physical limitations
 - Sea sickness? Bring your own medication
- All boats probably involved in setting, moving and retrieving marks
- All boats available to render aid if required and/or requested
- **Toilet – only on Favored End. Be prepared!**

Setting Marks

- Never Tow **Any Marks** except when streaming
- Position the mark per the **PRO's instructions**
- Most people are quite bad with **spatial distance relationships** particularly with moving objects at the distances we encounter.
- Most people **underestimate** distance and **over-estimate** speed

RELY on the PRO

Setting Marks

- Step one: Be sure mark **tackle is packed in its crate correctly!**
- Step two: Deploy **mark and counterweight first** from back of the boat.

Very important: Keep line away from motor to avoid fouling the prop!!!

Setting Marks

- Step three: With boat moving, **SLOWLY pay out line. Keep line with tension.** Mark should not be moving.
- Be sure line is streaming past end of boat and not near engine! **Tell boat driver** if line starts to be under boat or does not have line tension.

Setting Marks

- Step four: Keep paying out line at the **same speed as the boat is moving forward**.
- REPEAT! Be sure line is **streaming past end of boat and not near engine!** Tell boat driver if the line starts to be under boat or does not have line tension

Setting Marks

- Step five: When anchor line is at full stream, hold the anchor in your hand. Tell driver **“At full stream”**
- Hold in position with the **anchor over the edge** of the boat until ordered to drop anchor.
- **Do not have any extra line** coiled in your hand!

Setting Marks

- Step Six: On command of the **PRO** over the radio to **"Drop,"** drop anchor into the water.
- Just let it go beside the boat, **do not toss it.**
- Raise 2 hands to let PRO know that the anchor is in the water

When current is a factor and light wind, stream line **into the strong current which may be streaming down wind!**

What to Expect – Favored End (Signal Boat)

- Recording check-in, starts, finishes, hoisting/lowering flags
- PRO located on signal boat to control all RC on-the-water activities and radio communications with other RC boats

What to Expect – Edgar D (Windward Mark Boat)

Set weather mark and offset, monitor course and roundings, record windward finishes

What to Expect – Hugh E

Set starting mark, leeward gate marks and finish mark, watch for OCS boats, monitor course

What to Expect – RHiB (All Purpose Boat)

- May set starting mark or **be** the starting mark, set leeward gate and finish mark, watch for OCS boats, monitor course
- Follow fleets and render aid if required or requested

What to Expect – End of the Day

- Help dock the boats
- Unload marks and tackle
- Pack anchor, line and counterweight in crate
- Rinse/disinfect; return to storage area

Marks / Anchor Crates

- Packing the anchor, line and counter weight in a crate. Always check that it is packed and always leave it correctly packed!

1. Anchor in crate.

2. Flake line on top of the anchor. Be sure no line loops go under the anchor.

3. Line flaked ready for the counter weight.

4. Place Counter weight on top of the line. Be sure a counter weight is actually attached to the line!

5. Put rest of line on top of the counter weight and clip the line end on to one of the crate handles.

What to Expect – End of the Day

- Unload RC equipment and return to 2nd floor of clubhouse; disinfect
- Scrub decks of all boats
- Remove RHiB from water, wash down and cover
- Check boats for safety gear, radios, batteries, etc. that might have been left onboard
